

## Rockingham Marina Rules

- **Absolutely no fuel containers on the dock.** This is a legal and an insurance regulation that we strictly enforce.
- **No smoking is allowed on the Marina Docks.** What you do on your boat while at the marina is your business, but please be conscious and considerate of your neighbors.
- Please keep your dog or other pet on a leash. Also clean up after your pet in the event of an accident.
- The discharge of oil, or oily waste into or upon waters of the U.S. such as the Boone Lake, is prohibited and subject to a \$5,000 penalty. Use the dump station on site 177 for your porta potties. DO NOT Dump Sewage into the Marina.
- Children under 12 are required to have a life jacket on whenever they are on the marina property. This is also a fineable offense on the lake.
- Please don't feed the ducks or geese from marina property.
- No open alcoholic beverages on Marina Property. What you do on your boat is your business.
- No foul language permitted at the Marina.
- We permit customers to fish from the marina property. Please take care not to damage vessels or marina property with hooks. Please do not fish off main gangway (concrete section).
- Parking on the Marina property is restricted to customers (those who rent slips) and their guests (guests are either with the slip renter or using the slip renter's boat with permission). Please help us identify others who may be using our property as we will tow their vehicles.
- Permanent Residency at the Marina is not permitted without written permission from Rockingham Marina Management.
- No more than two pets are allowed to live with a customer on their vessel without written permission from Rockingham Marina Management.
- Please keep all walkways and fingers free and unencumbered. No unapproved dock boxes, grills, containers, etc. If your vessel has the potential to protrude beyond slip dockage area, please secure it in such a way as to keep the walkways clear.
